THURSDAY MARCH 16, 1876 Ir William Mischai (or his his heirs) will send to this office his address he can learn of something important and valuable.

WE are now selling first class lumber \$25 per M feet; second class at \$22,50. Large stock of dry lumber on hand; also, sash, doors, shingles, etc. NALLE & Co., Grocers and Lumber Merchants, near Freight Depot. mh3-3td-3tw

MARRIED - On the morning of March 8. at the residence of the bride's parents in this city, by the Rev. E. B. Wright, Mr. FRANK G. GWYNN, of Gonzales, and Mi-FANNIE A. KINNEY, No cards.

Mr. Gwynn and bride left on the morning make their home.

BY THEIR WORKS YE SHALL KNOW THEM. The Spenser Optical Manufacturing Company of New York have already made themselves known to thousands of the afflicted by the perfection of their Diamond Spectacles, each pair stamped with the diamond Bahn.

THE business prospects of San Antonio are brightening. When the railroad reaches there the merchants of that ancient city will control a very large trade, and the newspapers are looking forward to bright times in the future, when there is really a hopeful prospect for them. We wish we could feel likewise.

already made.

THE way to keep up good rates for property in this city is to build the narrow gauge from here to Lampasas. Unless the real estate men of Austin spend money on such enterprises they will wake up some morning with their rents cut down to half what they now are. Soure the brick and mortar for a short time, and put money in the narrow gauge enterprise, and thus keep up rents on buildings already constructed.

THE NEXT DISTRICT COURT .- The next district court, which we believe is to meet the latter part of next month, will be held under the authority of the new State govnew Constitution, nine out of twelve jurysuppose that those having criminal cases on hand will endeavor to have them tried at the present term of the court.

Personal and Local Bots. Mr. Nelson and wife have returned from

the City of Mexico. Country butter now retails at thirty-five cents a pound in this city.

Fourteen teams and some fifty or sixty men have left this city to work on the International at Rockdale.

A lady living in the western portion of ninth of February. She wants to know when that baby will be a year old.

THE NARROW GAUGE,-Gentlemen who have generously undertaken the task of securing subscriptions to the capital stock of the Austin and Lampasas narrow gauge road, propose, now that the scheme is ing of the citizens of the county to sponsible for its existence. consider the necessity for the work. Gen. George A. Sheridan, Major West, Col. Swisher, Major Walton and others will speak. Everybody must attend. The meeting will probably occur Tuesday evening, when Dr. Westfall will report progress from the country.

POOLE & HUNT, of Baltimore, whose rep. utation as founders and machinists have become national within the past twenty-five years, appears elsewhere in our columns in an advertisement of their well-known and highly regarded Jas. Leffel Turbin Water Wheel, as well as in enumeration of various other lines of their manufacture. We invite, for this firm, the favorable consideration of those of our readers who may be in need of anything in their line; their machinery, wherever used, best speaking for itself as regards quality, durability and capacity for the work designed. Send for their circulars before purchasing elsewhere.

AUGUST FLOWER. -The most miserable beings in the world are those suffering from dyspensia and liver complaint. More than

Austin to the importance of securing the stock in this enterprise. Much has been of Morley Bros., wholessle and retail agents, trade of Burnet, Lampasas, San Saba, Llano, said of the importance of such a road for Austin, Texas, and get a 75 cent bottle, or Brown, Hamilton and Coryell. An effort Austin, and even the growth of the city. Builders have been forwarded to desist from doses will relieve you. miles from Austin towards Lampasas at erecting large stores and other property unonce, the work to begin in a short time. Many of the property-holders and merchants ing.

The cry has been, when the Internations Wednesday morning in the case of "The City v. The Butchers," and the latter were made happy. The Judge took the ground that the butchers could not be taxed as retailers, and that if they were taxed at all as retailers, then the tax must not be out of proportion to that imposed upon other retail portion to that imposed upon other retail establishments. This, we presume, is the end of the chapter. The butchers, we learn, are willing to pay a reasonable license and desire to get along harmoniously with the city, and negotiations for a perfect understanding were spoken of Wednesday. The butchers are willing to erect a market building on market square and occupy the same for a stated time and then turn it over to the city for its cost.

Austin the great center for trade from our section. It is said that George Hancock section. It is said that George Hancock section. It is said that George Hancock will give one-fourth of his "Springs" property to the road when completed, and others are willing to pay a reasonable license and desire to get along harmoniously with the city, and negotiations for a perfect understanding were spoken of Wednesday. The butchers are willing to erect a market building on market square and occupy the same for a stated time and then turn it over to the city for its cost.

Austin the great center for trade from our section. It is said that George Hancock will give one-fourth of his "Springs" property to the road when completed, and others are very liberal in their donations. Doctor Westfall is doing his best to burry up the work by getting all on the projected route to take an interest in the matter. It never looked to us so much like business as it does at the present, and we give it as our deliberations. Doctor work by getting all on the projected route to take an interest in the matter. It never looked to us so much the international Railroad cannot raise enough money to build and complete to Austin, let a control to the road bed to Austin, let a control to the public to endorse it. All but this one have been controlled to the public to endorse it. All but this one have been controlled to the public to endorse it. All but this one have been controlled to the public to endorse it. All but this one have been controlled to the case. Let the people of Travis county call, through proper

> Editors Statesman-If gentlemen engaged made that great sphynx, the International Railroad Company, speak, and that is more than legislatures, laws, or any other power have so far been able to do; and to this extent we owe these gentlemen praise.

There is an unofficial, unwritten, irresponsible idea affoat in the community that if our people will refuse to aid the parrow gauge that the International will be pushed immediately to Austin; when a macadamis quite certain that it will now be perma- ized road can be built to Lampasas, and thus secure the end desired, always proespecially since the matter of parentage has vided, however, that we advance a round been completely discovered; but this will progress. Our experience with railroad nor Coke had been so informed, and companies is that if you desire to know in it had been circulated on the streets. you must first find what course enables you may be sure that course will be adopgreat curiosity how learned men will make of sound mind doubt that the creation of a to Lampasas by eighteen miles than Austin, and certain to draw away, at least temporarily, the trade of that whole country from Austin, will place us at the mercy of the International Railroad Company, unless the narrow gauge is built, and force us to accept avert disaster and ruin. We know that many of our business men are being already influenced by this dangerous argument, but we ask them to look well before they place themselves and our city in the power of any

company. It is as plain as daylight that a narrow gauge will cost our people less to build than a macadamized road, and nothing to keep even twenty-five miles of the narrow gauge towards Lampasas effectually checkmates and prevents the International from stopping short of Austin, whether it desires to do so or not; and to hesitate now is to be lost. We believe that if the narrow gange had been built twelve months ago that the that "drunk" means "overwhelmed or International would be now running its overpowered by spirituous liquors; stupe- trains into our city, and that without any bonus from our citizens. If the Internationthe stomach and brain. It is brutish to be al is not going to stop at Flag Springs de-

MAN office on Friday by Dr. Wallace have been published before. He stated that Col. Elliott was acting "strange" at the asylum, and that Dr. Bibb had told him that he was "drunk." This he stated drew a small pistol and at once discharged to Mr. W. D. Patton and to Mr. Quick. office while Dr. Wallace was talking upon Rane Holman was long a compositor in the matter, and on Monday, the thirteenth day, that Dr. Bibb had said Col. Elliott was either "drunk" or "tight," but would not state positively whether Dr. W. said "drunk" or "tight." Mr. W. D. Patton, whose word no man who has ever known

him will doubt, states as follows: Austin, Texas, March 13, 1876. I am an numble, private citizen, and, desiring no public connection in this matter, would prefer, if it can be avoided, not to have my name thus used. But if the necessity demands a statement from me 1 feel it no more than a duty to make a simple, plain statement of what passed in a conversation in my presence in the STATESMAN office between Mr. E. H. Quick and Dr. Wallace. Dr. Wallace said that he did not notice that Col. Elliott was drinking, but sum to the International as a bonus for its that Dr. Bibb said he was drunk, Gover nor Coke had been so informed, and that He stated to me previously that Col. Elliott did not drink more than a tablespoon them to exact the most tribute, and then ful, but that he might be wrong in that; he had said in his statement to Mr. Cardwell ted. This being admitted, does any man of sound mind doubt that the creation of a when he rallied Col. Elliott about taking depot beyond Round Rock, a point nearer such a small drink ore member of the party remarked that he, Col. Elliott, had been drinking beer this morning.

Respectfully, In connection with these facts we refer to the following note, which has heretofore the Gazette :

LUNATIC ASYLUM, March 9, 1876.

Col. Elliott : In answer to your note of the above date, calling my attention to an item in the STATESMAN of this date, I beg to state there was not the slightest foundation for the charge of drunkenness or rudeness to ladies on the part of yourself or Mr. Gibbons. You were not drunk, nor did you treat any lady rudely that I am aware of, and I was COMMISSION MERCHANTS with you all the time. Your bearing was courteous and gentlemanly, both to gentlemen and ladies.

Very truly yours, D. R. WALLACE, Superintendent. Let it be marked that this note states there was not the "slightest foundation" for the charges made, and yet Dr. W. stated in the presence of a number of witnesses drunk." Again he says "drunk" means its friends oppose the narrow gauge? Would that Dr. Bibb said Col. E. was "drunk."

"drenched," that is, with spirituous liquor. it not be a feeder to it?

A well known employee in this office A well known employee in this office says that Dr. Bibb qualified a statement to

Sir-I see an article of this date misrep-

him by saying that Col. E. was not, in his

teresting the public, in regard to Col. ott. You did not use drunk or drunkenness in connection with his name. Yours, etc., D. R. WALLACE.

asserted Dr. Wallace said: "The assistant physician at the Asylum regards the case as one of drunkenness." In this there is a misrake, since I have not associated drunk or drunkenness with your name, or late visit to the Assium, to any one. Regret to have been made the subject of innocent misrepresentation.

Very truly, yours, RICHARD BIBB.

FREEBORN GARRETTSON SMITH, The Sup't for and Successor to William P. Bradbury 14 East Fourteenth Street, N. Y. MANUFACTORY

SPECIAL NOTICE to our READERS SPECIAL CALL. ACENTS WANTED

To sell the New Patent Improved EYE CUPS.

Guaranteed to be the best paying business affered to Agents by any House. An eary and pleasant employment. The value of the celeb ated new Patent Improved Bye Cups for the restoration of sight breaks out and blazes in the evidences of over 6000 genuins testimonials of cares, and recommended by more than one thousand of our best physicians in their practice.

The Patent Eye Cups are a scientific and philosoph leal discovery, and as Alex R. Wybern, M. D., and W. Beatley. M. D., writes, they are certainly the greatest invention of the age.

Read the following certificates:

Fericuson Station, Logan Co., Ky., June 7, 1872.

Dr. J. Ball & Co., Occ. 1 ts:

Gentlemen—Your Patent Bye Cups a.e., in my judgment, the most splendid triumph which optical science has ever achieved, but, like all great and important truths in this or in any other branch of science and philosophy, have much to contend with from the ignorance and prejudice of a too sceptical public; but iro h is mighty and will provail, and it is only a question of time as regards their general acceptance and endorsement by all. I have in my hands certificates of pers not testifying in unequivocal terms to their merics. The most prominent physicians of my county recommend your Eye Cups. I am, respectfully,

W. Beatley, M. D., Salvisa, Rv., writes: Thanks to you for the greatest of ah inventions. My sight is ally restored by the use of your Patent Rye Cupe, after being aimost entirely blind for twenty-six years.

Alex. R. Wysta, M. D., Atcheson, Pa., writes: After to a blindness of my left eye for four years, by paralysis of the optic nerve, to my utter astonianment your fatent Eye Cups restored my eyesight permanent by in three minutes.

Rev. S. B. Falkinsburg, minister of M. E. Church,

ALEX. R. Wist, A. D., Atches, I.A. which all ter tota blindhess of my left eye for four years, by paralysis of the optic nerve, to my nitor astonianment your ratent Eye Cups restored my eyesight permanen ly in three minutes.

Rev. S. B. Falkinsburg, minister of M. E. Church, writes: Your Pa ent Eye Cups have restored my sight for which I am most thankful to the Fasher of Mercles. By your advertisement I saw at a glance that your inva uable Eye Cups performed their work perfectly in accordance with physiological law; that they literally fed the eyes that were starving for mutrition. May God greatly biass you, and may your name be enstrined in the affectionate memories of multiplied thousands as one of the benefictors of yo r kind.

Horaca B. Durant, M. D. says: I sold and effected future sale liberally. The Palent Eye Cups, they will make money and make It fast too; no small, catchepenny affair, but a superb, namber one, tip-top bindiness, as far as I can see, to be lifelong.

Mayor E. C. Ellis wore us, Nov. 16, 1869: I have tested the Patent Ivory Eye Cups, and I am satisfied they are good. I am pleased with them. They are certainly the greatest invention of the age.

How. Horace Graziery, lare editor of the New York Tribine, says: Ir. J. Ball of our city, is a consciontions and responsible man, who is incapable of international deception or importition.

Ploy. W. MERRICK writes: Truly I am grateful for you nobite invention. My sight is restored by your Patent Bye Cups. May Henven bless and pleasers, and I bless the invention of the Patent Eye Cup every time I take up my old stiel pen.

Apolipe Biorssheine, M. D., physician to Emperor Napoleon, wrote, far hawing his sight restored by our fatent by Cups: With rratitude to God and thankfain as to the invention of the Eye Cup et in full faith to all and every one that has impaired eyesight, believing as I do, that since the experimen with this wonderful grace of the superior of the Pay are property applied.
